

Changes to the Kansas Health Advantage (HMO I-SNP) 2023 Annual Notice of Change

This is important information on changes in your Kansas Health Advantage H2392-001 coverage.

We previously sent you the Annual Notice of Change (ANOC) which provides information about your coverage as an enrollee in our plan. This notice is to let you know there were errors in your ANOC. Below you will find information describing and correcting the errors. Please keep this information for your reference. The correct ANOC can be found on our website at [KansasHealthAdvantage.com](https://www.KansasHealthAdvantage.com).

There is a separate errata letter included in this mailing for your 2023 Evidence of Coverage (EOC).

Changes to your ANOC

Where you can find the error in your 2023 ANOC	Original Information	Corrected Information	What does this mean for you?
Section 1.4, Medicare Part B Prescription Drugs changes effective April 1, 2023 and July 1, 2023, were inadvertently omitted from Page 8	In-Network: You pay 20% of the cost for Medicare covered Part B Drugs.	Beginning April 1, 2023: In-Network: From 0% up to 20% of the cost for Medicare covered Part B Drugs. Beginning July 1, 2023, you won't pay more than \$35 for a one-month supply of each insulin product covered by our plan, no matter what cost-sharing tier it's on, even if you haven't paid your deductible.	In 2023, your coinsurance may decrease for certain Medicare Part B covered drugs. In 2023, you will most likely pay less money for your monthly insulin supply, compared to 2022.

You are not required to take any action in response to this document, but we recommend you keep this information for future reference.
