

Kansas Health Advantage is a Health Maintenance Organization (HMO) contracted with Medicare and offers Institutional Special Needs Plans specifically designed for eligible Medicare beneficiaries living in one of our participating long-term care nursing homes or assisted living facilities or individuals living in the community that require an institutional level of care. In addition to providing all standard benefits offered by traditional Medicare, we include Part D pharmacy benefits, supplemental benefits not covered by traditional Medicare, and extensive clinical care management to ensure every member receives the services necessary to achieve their short- and long-term care goals. Our plan is contracted with TruHealth Advanced Practice Providers and RN case managers who, along with our clinical pharmacists, work with the member's primary care physician to address each member's full range of medical, functional, and behavioral health care needs in a coordinated and member-centric manner.

The plans offered through Kansas Health Advantage are:

- **Kansas Health Advantage (HMO-ISNP)** for Medicare Beneficiaries that reside in contracted nursing homes in the plan service area
- **Kansas Health Advantage Choice (HMO-ISNP)** for Medicare Beneficiaries that live at home or in an assisted living facility (ALF) and the Beneficiary has been certified to need the type of care usually provided in a nursing home.

# Identification of Kansas Health Advantage Members

Kansas Health Advantage members are issued a member identification card, a sample of which is below. Members have been asked to bring their ID card at each visit, but many may present for care with a copy of their Nursing Home Medical Record Face Sheet. This may be your primary means of identification rather than the ID card. Please see example copies of the Face Sheet on the next page; these will vary in information and format based on the facility, but all will have a section that identifies the primary payor as Kansas Health Advantage. Most of our members in Skilled Nursing Facilities have Medicaid as the secondary payor, so you may find the member’s Medicaid number on the Face Sheet as well; if not, please contact the Skilled Nursing facility. Our Kansas Health Advantage Choice members may likely have Medicaid as secondary payor as well.

# Frequently Asked Questions

## Claims payment and submission

### ***Who do I call if I have a question regarding a claim denial?***

The Customer Services Department is available to assist with denial questions about claims. The number is 800-399-7524. You may also contact your local Provider Relations Representative for assistance.

### ***What fee schedule does Kansas Health Advantage use to pay providers?***

Kansas Health Advantage is a product of American Health Plans, Inc. (AHP), a Medicare Advantage organization that holds a Medicare contract to provide these services in several states. AHP uses the current Medicare fee schedule for the state where the services are rendered.

### ***Does Kansas Health Advantage automatically cross-over claims to State Medicaid for coordination of benefits?***

At this time, there is not automatic cross-over. Providers will need to submit claims directly to State Medicaid along with the Kansas Health Advantage Explanation of Payment for payment.

### ***What should I do if I bill Medicare, the claim is denied, and I find out the member had Kansas Health Advantage at the time of service, but timely filing has passed?***

If you have not filed your claim to Kansas Health Advantage, please do so. In order for the claim to be considered for payment, it must be filed to Kansas Health Advantage within 180 days of the date of the Medicare EOP (Explanation of Payment). Upon receipt and processing by Kansas Health Advantage, you will receive a timely filing denial for the claim. At that point, you may submit a Provider Dispute Resolution form along with supporting documentation as evidence that (1) your initial verification showed that the member had Medicare and (2) that the initial claim was sent to Medicare according to the timely filing requirements of your Kansas Health Advantage provider agreement. Along with your Dispute Resolution Request, please submit a copy of the Medicare Explanation of Payment (EOP) for purposes of determining that the claim was initially filed to Medicare within this timely filing requirement. If that is the case, your claim will be adjudicated for payment according to the member's coverage and benefits. If not, the Resolution Request and claim will be denied due to this contractual provision.

### ***In what fields on the claim form should the NPI numbers be entered?***
