### Fraud, Waste & Abuse

Kansas Health Advantage encourages participating providers to implement processes to detect and prevent fraudulent activities from our members and Medicare beneficiaries. Your diligence protects your reputation and revenue, as well as taxpayers' money

#### Examples of beneficiary fraud, waste, or abuse:

- Misrepresentation of status: A Member or a Medicare beneficiary misrepresents identity, eligibility, or medical condition to illegally receive a medical service, item or prescription drug benefit.
- Identity theft: Perpetrator uses another person's American Health Advantage of Kansas Member Identification Card and/or Medicare card to obtain medical services, items or prescription drugs.
- Doctor shopping: A Member or Medicare beneficiary consults several doctors to obtain multiple prescriptions for narcotic painkillers or other drugs.
- Improper Coordination of Benefits: A Member or a Medicare beneficiary fails to disclose all insurance policies or leverages multiple policies to "game" the system and receive more benefits than allowed.
- Prescription forging, altering or diversion: Someone changes a prescription without the prescriber's approval in order to increase quantities or get additional refills of drugs, usually narcotics.
- Resale of drugs on black market: A Member or a Medicare beneficiary falsely reports loss or theft of drugs to fake an illness to obtain drugs for resale on the black market.
